evening.

FLORENCE LAWRENCE The World's Famous Photo-play Artist, in "THE GIRL OF THE WOODS"

Though wild, she is different; so much different than the rest. Though born and bred among filth and poverty, Mab has ideals. Into her life comes a stranger and she learns to love him, unaware that he is sent to drive her people from their homes as squatters. Love triumphs over race pride, but happiness is withheld for years. A feature that you will long remember.
